## **Nurturing Belonging and Friendship for Autism Families**

**JOIN AFSA MEMBERS FOR LUNCH  
on Tuesday 19<sup>th</sup> May 2020**

**GOOD NEWS!** AFSA has been awarded a Victorian Carers Strategy Helping Families Locally grant. The AFSA Committee has long been looking at ways we can help member families meet socially to discuss common concerns, share our parenting and caring information and experiences and make new friends.

The second Parent/Carer Sharing session lunch will be on Tuesday 19<sup>th</sup> May in the Willis Room, Whitehorse Civic Centre between 11am and 2pm. Lunch will be a 'finger food' assortment of sandwiches, hot savoury pieces, fruit and sweet treats with juice, tea and coffee. Specific dietary requirements can be catered for if you let us know in advance.

There is no charge<sup>#</sup>. This function is for registered AFSA members and numbers are limited. For catering purposes, please reserve a place/s via TryBooking, or send us an email or SMS. This event is for parents and carers – unfortunately, we do not have the facility to provide care for children or adults requiring support.

*"When my son was diagnosed 35 years ago I went to an AFSA function and the parents I met then have become lifelong friends!"*

### **WHERE**

Willis Room

(part of the Whitehorse Civic Centre adjacent to the Whitehorse Library)

397 Whitehorse Road  
NUNAWADING
